

# PROMAC

**Position: Fabrication Shop Supervisor**

**Reports to: Vice President – General Manager**

## Summary:

Pro Mac Manufacturing is looking for a key contributor to join our team. This role is accountable for day-to-day leadership of our Fabrication shop. We work hard to create value for our customers through our core businesses.

At Pro Mac, we believe that every person deserves to have purpose in their careers. We will provide you the tools and opportunities to be the driving force in our mission to continue to be an industry leader and an Employer of Choice.

## Essential Duties and Responsibilities:

- Ensure that Company Safety procedures and practices are implemented and maintained, with a focus on continuous improvement
- Provide leadership, guidance and direction to the Fab Shop teams to ensure the production goals and objectives are met
- Development and implementation of a world class quality management system
- Develop, maintain and administer Company operational budgets
- Help establish KPIs to measure delivery metrics, leading to improved production and mechanical efficiency.

## Qualifications and Experience

- Possess a minimum of 5 years experience in a Manufacturing leadership role, preferably in the Welding and Fabrication industry
- Understand, develop and foster Lean Manufacturing principles. Six Sigma certification
- Must have good communication skills both verbal and written
- Ability to manage multiple complex tasks and responsibilities efficiently
- An experienced change management leader

## To apply:

Please apply with a cover letter and resume to Mike Williams, HR Leader.
