

PROMAC

Position: Machinist
\$43.51 hourly rate

Summary:

Promac Manufacturing is looking for a Journeyperson Machinist to join our Team. We work hard to create value for our customers through our core businesses.

At Pro Mac, we believe that every person deserves to have purpose in their careers. We will provide you the tools and opportunities to be part of our core values of being Curious, Passionate and Engaged. You will be Inspired to Improve and Grow at Pro Mac.

Essential Duties and Responsibilities:

- Studies drawings, sketches, manuals, specifications, or sample part to determine dimensions and tolerances of finished workpiece, sequence of operations, and setup requirements.
- Selects and sets up holding fixtures and jigs, cutting tools, attachments, accessories, and materials on machine tools as necessary to machine parts as required.
- Verifies conformance of finished workpiece to specifications, using precision measuring and inspection tools as necessary.
- Performs routine maintenance tasks on machines as required and maintains a clean and organized work area according to maintenance plans and established procedures.
- Confers with engineers, production personnel, or others to resolve machining or assembly problems.
- Works well independently or in a team environment.
- Maintains a positive work atmosphere by acting and communicating in a manner so that you get along with customers, clients, co-workers and management.
- Ensures that safe work practices are followed and adhered to.

Qualifications and Experience

- Red Seal / Interprovincial Certification is required
- Previous CNC experience will be considered an asset
- Possesses excellent interpersonal skills
- Can multitask and prioritize
