

JOB COMPETITION: WELDER

POSTED ON: AUGUST 1st, 2023

Summary:

Promac Equipment is looking for a team member that will play a key role at our production facility located in Duncan, BC in the beautiful Cowichan Valley. At Promac Equipment we build forestry-proven land clearing equipment for independent contractors. We keep them running, no matter what nature throws at them, in some of the toughest conditions in the world. Bells and whistles may sell the first time, but equipment built for the toughest conditions is what keeps our customers in business - and keeps them coming back for more.

Essential Duties and Responsibilities:

- Set up and operate welding equipment and specific production equipment; not limited to Dynamic Balancer, Plate Cutting and CNC Press Brake
- Maintain a positive work environment by acting and communicating accordingly within a tight nit group of individuals including customers, clients, co-workers, and management.
- Ensures that safe work practices are followed and adhered to.

Qualifications and Experience:

- A minimum of two years previous experience welding and fabrication in similar industries
- Level C or equivalent welding certification
- Previous forklift operation experience
- Physical ability to lift up to 50 pounds safely

To Apply:

Please forward a cover letter and resume to Mike Williams, Human Resources Leader
